

**Consulate General of India
Frankfurt**

NOTICE

In view of the surge in Covid-19 infections in Germany and instructions of the German Federal Government, Consular Section of this Consulate is presently closed for public dealing until 31 January 2021 or until further notice.

Our authorised outsourced agency Indo-German Consultancy Services (IGCS), which provides visa and consular services, will also remain closed till 31 January 2021. It may be noted that outsourced agency will neither accept any application nor payment for providing visa and consular services till such time.

The Consulate General of India in Frankfurt, however, will remain open and will provide restricted services during this period on prior appointment basis. Therefore, any application or payment of fees required to avail of such restricted consular services will have to be deposited in person along with cash payment in the Consulate only. In order to ensure safety and security of the applicant and to avoid spread of infection, Consulate will limit access to its premises and will provide visa and consular services only by prior appointment. Since the Consulate will operate with limited staff, there could be some delay in processing such requests.

The applicants who need emergency services and are residing in the jurisdiction of the Consulate General of India, Frankfurt (North Rhine-Westphalia, Hessen, Rhineland Palatinate and Saarland) are advised to send their queries pertaining to appointment for restricted services to email ID cons.frankfurt@mea.gov.in.

It is reiterated that the Consular services will be provided strictly by prior appointment and no walk-in facilities without prior appointment will be entertained, during this period.

This supercedes all our previous notices in this regard.
